

We will be meeting in the Chapel of the Austin State Hospital, which has a campus with a street address of 4110 Guadalupe Street. However, that entrance is closed (!), so members will enter at a construction site located off 45th. These are the directions which I have at this time (from Mopac):

Directions: take 45th Street east. Be in the right lane and very shortly after you cross Lamar street, you will be turning right into the only entrance to the hospital complex. It also is a construction entrance for Turner workers. Be sure to have mask on and stop to answer that you are with the music club and going to the chapel. Several of the roads are closed and it is easy to follow. Go straight, turn left and then almost immediately turn right. At the short distance cross street the chapel is the building in front of you. Turn left to the large parking lot in front of the chapel filled with workers cars and trucks. The chapel is building 639.
